Solutions for Mental Health Issues in the School Setting is based on the School Counseling and School Social Work Treatment Planner written by Sarah Knapp, MSW and Art Jongsma, Ph.D. 8 or more Mental Health Issues commonly experienced by students will be covered in class including a therapeutic description, short and long term goals and practical interventions that can be applied in the classroom or in cooperation with parents, and or the school social worker, psychologist or counselor. The class will enable all educators to understand and work more effectively with students of all ages who are experiencing Mental Health Issues in the school setting .
